LEGAL NOTICES

LEGAL NOTICE

The Town of Newtown hereby gives notice that an addendum to the Analysis of Brownfields Cleanup Alternatives (ABCA) and the Quality Assurance Project Plan for the Asbestos and Hazardous Substances Removal Surveys and Oversight Reports for the Environmental Protection Agency (EPA) Clean Up Project at the Fairfield Hills Campus has been filed. The purpose of the addendum is to provide information concerning the clean up of Duplex #59 which has been added to the project. All files related to the clean up project are open to the public. The record file is available in the Economic and Community Development Office, Newtown Municipal Center, 3 Primrose Street, Newtown, CT. Public comment is welcome and should be directed to Elizabeth Stocker, AICP at the Newtown Municipal Center or by email at elizabeth.stocker@newtown-ct.gov
